NOBSE - BUSINESS PROPOSAL

We want to present our proposal for information & admission centre to you, where you can explore a great opportunity to enhance your business in an outstanding manner. Our information & admission centre proposal aims to create centres all over India to offer our bouquet of courses from renowned Govt. Approved Self-Government Autonomous Institute. We are equipped with an ambitious, workable plan to provide higher education to the working professional and youth of the country. Don't worry if you don't have any prior experience in the education business. With **National Open Board of School Education - NOBSE**, you will not only be benefited from **7 years** of our excellent experience but also get expertise operational and administration model, as a bonus.

If you are interested in charting out a successful and profitable future for yourself, as well as contribute to making a positive difference to the lives of thousands of individuals, then **NOBSE** offers you a great opportunity. **NOBSE** offer a unique information & admission centre opportunity to help your business grow and flourish. We believe that growth can be successfully achieved through partnerships and alliances.

If you want superior earning potential and the opportunity to provide valuable and respected service to the nation by shaping the career and future of many young and aspiring individuals, than owning and operating an information & admission centre of **NOBSE** may be right for you.

WHY NOBSE
